
My Essential Question

Essential questions are **IMPORTANT, FAT, OPEN** questions that you have to research to find the answers, AND other people might come up with a different answer than you!

- * Questions that generate inquiry, multiple ideas, discussions, open-ended responses.
- * Questions that encourage critical thinking.

THINK ABOUT: Your topic and your interests

Design a question in a format that uses one of these stems:

Which one....

How does....

Why is....

What if....

Should.....

How would you....

What is most important....

Could....

Directions: Think about resources available to you. Write your question. Meet with your teacher.
